Dear David

I refer to your recent request seeking permission for Mr Campbell Newman and his wife Lisa Newman, as well as the Shadow Minister for Education, the Parliamentary leader of the LNP and Ms Saxon Rice, the local LNP candidate to visit the Toowong State School on Friday 2 March 2012. I responded to and approved your request via the email below.

It has come to my attention that footage taken at the school on the day, including footage of students, staff and school facilities, may have been used as part of a recent television advertisement for the LNP.

The Principal of the school has advised that while he received media approvals for students to be filmed by news organisations for general news stories, at no time was he advised, or did he approve, for any of the footage of staff, students or school facilities to be used in a political advertisement.

As you are aware, the Department of Education and Training guideline to caretaker conventions states that footage taken at this time must not be used for campaign purposes.

As parents and staff may raise concerns with this matter, I request that you please discontinue the use of this advertisement, and remove it from the YouTube site.

If you require any further information please do not hesitate to contact my office on telephone 3222 2600.

Dear David,

I refer to your email earlier today requesting that Mr Steve Bennett and Mr Andrew Cripps MP be permitted to visit the Isis State High School to observe the agriculture program that is being undertaken within the school.

I am pleased to advise that I have confirmed the purpose of this visit with the Principal, Mr Alan Cook, and I hereby approve for Mr Bennett and Mr Cripps to attend tomorrow, as requested. I would expect that Mr Bennett and Mr Cripps would ensure they undertake the visit within the protocols that have previously been provided to your office.

Subject: Visit from the Shadow Minister for Agriculture

Dear Ms Grantham

I write seeking your permission for the Shadow Minister for Agriculture Andrew Cripps MP to visit Isis State High School on Friday 24 February 2012 at approximately 11:45am.

Mr Cripps has been invited to visit the school by the local LNP Candidate Steve Bennett who would like to show Mr Cripps the wonderful agriculture programme currently underway at the school, which I understand is an initiative that is funded and promoted by the Childers Fruit and Vegetable Growers Association.

I note that the guidelines set out by the Department of Education and Training do permit the Shadow Minister for Education, but do not generally permit another Member of Parliament to visit a school that is outside of their electorate. However, given the

Agricultural education nature of the visit, it is requested that you use your general discretion under the general guidelines for use of Government facilities during caretaker period, as the Director-General responsible, to permit this particular visit. I hope you agree that in this case Mr Cripps portfolio responsibility is relevant to the nature of the visit and consistent with the principles you would otherwise apply for the Shadow Minister for Education.

I understand that the LNP Candidate has been in contact with school Principal Alan Cook, who is more than happy for the visit to proceed, subject of course to your concurrence.

Based on the reasons mentioned above, it would be greatly appreciated if you could please consider allowing this visit to proceed.
