# Strategic Plan 2025–29

Providing a world-class early childhood and education system and supporting a vibrant arts and cultural sector for all Queenslanders.

#### **Our objectives**

Great people, responsive systems, better outcomes

Every child starting

potential

Our contribution to the Government's objectives for the community

### We support and contribute to the Government's *objectives for the community*

#### Safety where you live

by supporting early intervention to keep young people engaged in learning and strengthening safety in early childhood services and schools.

#### A plan for Queensland's future

by building the infrastructure needed for a growing population, putting more teachers in safer schools and, preparing young Queenslanders for the future.

#### A better lifestyle through a stronger economy

by providing access to quality early childhood and education, and investing in arts and culture across the state to deliver outcomes for Queenslanders.

#### **Our opportunities**

- Build a skilled and confident workforce through delivery of high-quality capability development opportunities
- Strengthen local decision making within a system of support
- Streamline systems and processes to deliver improvements for staff and better outcomes for Queenslanders
- Invest and work with partners to deliver better services for Queensland
- Leverage emerging technologies to enhance teaching and learning and provide efficient services.

#### **Our challenges**

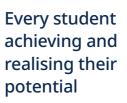

- Ensure the wellbeing and safety of children, students and our workforce
- Strengthen the supply and retention of our diverse workforce
- Keep pace with technological advances and maintain the integrity and security of our information and systems
- Continue to mature our prevention and preparedness for disruptive events
- Respond to the needs of diverse communities and provide sustainable investment for future generations.

#### **Our commitment**

We promote equity and excellence and Queensland's cultural identity in our commitment to respect, protect and promote human rights.

Commitment Statement.

**CONSULTATION DRAFT** 

Vibrant arts and culture across the state

#### *In everything we do we consider:*

- child and student protection and safety
- workplace health and safety
- information security
- integrity.

Department of Education Enterprise risks

We are committed to working together to close the gap for Aboriginal students and Torres Strait Islander students. For more information see our

Oueensland Government

### **Strategic Plan** 2025–29 | *Providing a world-class early childhood and education system and supporting a vibrant arts and cultural sector for all Queenslanders*

## Great people, responsive systems, better outcomes.

#### Invest in our people, systems and infrastructure to deliver better outcomes for Queenslanders

#### Our strategies

- Attract and retain a skilled and contemporary workforce
- Support the health, safety and wellbeing of staff in every workplace
- Reduce red tape and streamline processes and systems
- Provide opportunities for all staff to build professional expertise, capability and skills across their career
- Deliver, renew and maintain sustainable and inclusive infrastructure
- Deliver digital services responsive to new and emerging technology
- Deliver legislative, regulatory and policy reform to strengthen and improve the safety of our early childhood, education and arts systems
- Govern, monitor and evaluate strategic initiatives to assess impact, build an evidence base, and drive ongoing improvement and innovation.

a 72 C

Every child starting strong.

#### Provide the foundations for children's futures through quality early childhood services

#### **Our strategies**

- Deliver proactive and risk-based regulation to support safe, high-quality early years services
- Provide access to kindergarten for all children in the year before school to foster readiness for learning
- Support prevention and early intervention to help families and children to participate in early childhood education
- Support culturally responsive early childhood services by working with Aboriginal and Torres Strait Islander peoples and the communitycontrolled sector
- Ensure accessible and inclusive service delivery responsive to the needs of children with disability
- Support children to positively transition into early childhood education and school
- Grow the capability of the early childhood sector to deliver a skilled and culturally capable workforce.

## 90 A 4

Every student achieving and realising their potential.

#### Prepare every student for a bright future by equipping them with the knowledge and skills they need

#### **Our strategies**

- Deliver quality teaching and learning
- Improve outcomes in English and mathematics as the foundations for learning
- Strengthen supports and responses to deliver safe and disciplined learning environments
- Boost engagement and transitions across all phases of learning to lift attendance and educational outcomes
- Enhance teaching and learning through digital innovation and virtual learning opportunities
- Support students with disability to engage in learning and achieve educational outcomes
- Improve educational outcomes for Aboriginal and Torres Strait Islander students
- Work with partners to support students to remain engaged or re-engage in education, training or employment
- Work with partners to strengthen meaningful post-school pathways in education, training or employment.

#### Our measures

- Workplace health and safety
- Staff wellbeing and satisfaction
- Workforce diversity
- Infrastructure investment
