

# Teaching Queensland's Future

Teachers for **today,**  
**tomorrow and the future**

## Our purpose

The Teaching Queensland's Future (TQF) program is a five-year strategy to:

- 1** Meet the increasing demand for teachers in our state school classrooms
- 2** Build the capability, confidence and agility of our teaching workforce
- 3** Ensure a sustainable supply of teachers who will deliver quality learning outcomes for the future.

## Our plan

Our focus is across five areas:
