The Queensland Government would like to hear what you think about plans for Tagai State College – Poruma Ngurpay Lag.

Discrete Communities Infrastructure program

Improving schools for Aboriginal and Torres Strait Islander communities.

The Discrete Communities Infrastructure (DCI) program is a Queensland Government program which provides funding to better plan, improve and build educational buildings and spaces by co-designing them with Aboriginal and Torres Strait Islander communities.

The Torres Strait DCI co-design program

For the past 12 months, key community members and school representatives have been working with the DCI team to co-design a master plan and identify key projects for Tagai State College – Poruma Ngurpay Lag.

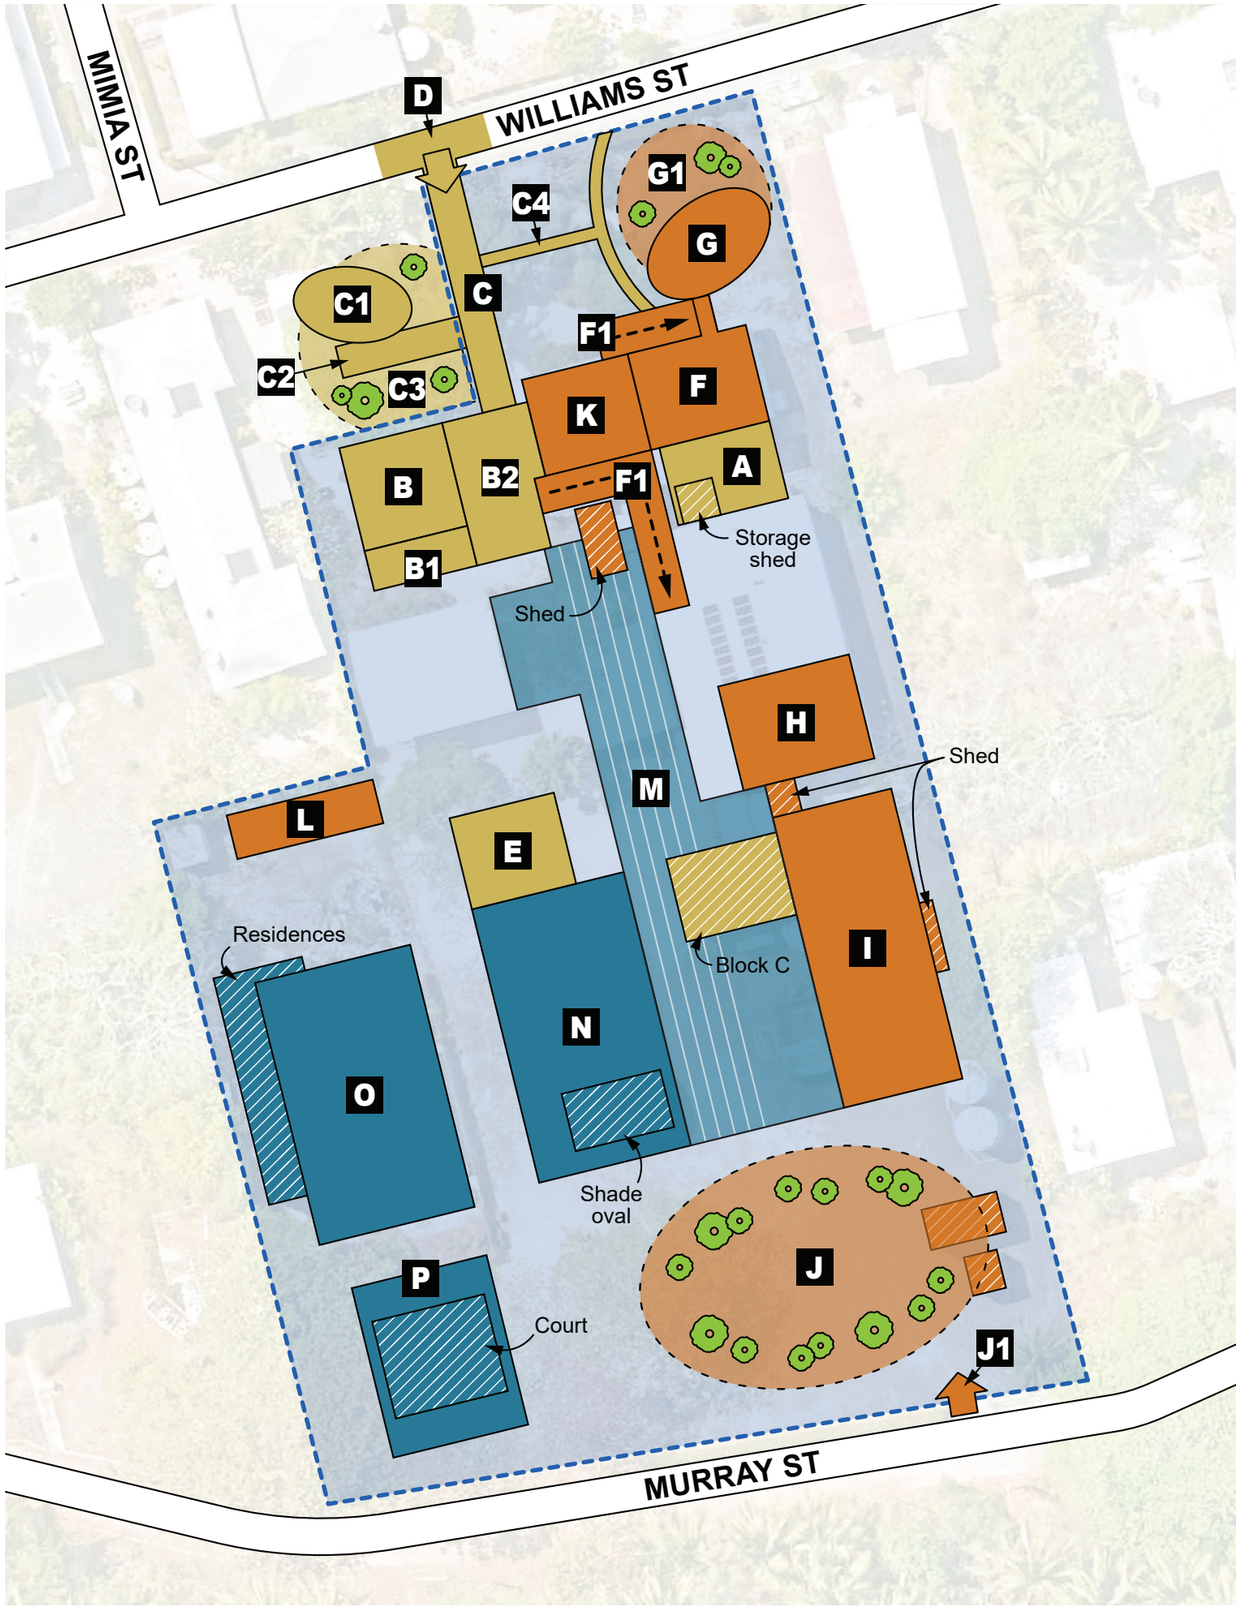

Next steps:

- **Seek community feedback on:**
  - The master plan.
  - A list of prioritised projects, categorised into Stage 1, Stage 2 and Stage 3 potential projects.
